Dear Ms. Cosgrove,

On behalf of the Kappa Sigma Fraternity, I would like to commend you on the TIPS program.

As you know, Kappa Sigma has utilized TIPS as part of its alcohol education programming for the past several years. We have been very pleased with the results of our partnership with HCI and TIPS.

Having facilitated TIPS sessions personally, I can attest to their impact. The interactive nature of the program makes it both informative and enjoyable to our undergraduate members.

Alcohol abuse is at the forefront of the dangers facing college age students in today's world. Kappa Sigma's belief is that education, not prohibition, is the key. We thank you for your commitment to these same ideals, and look forward to working with you in the future.

Sincerely,

Christian Nascimento
Leadership & Education Commissioner
